### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

### First published Dec. 7, 1915. NOTICE OF SHERIFF'S SALE.

Notice is hereby given that in pursuance of a writ of execution issued out of the clerk's office of the district court of Grady county, Oklahoma, on the eighth day of November, 1915, in an action therein pending wherein the Perkins Windmill Company was plaintiff, and M. L. Shelton, F. P. Bradley and S. H. Douthit were defendants, commanding me to levy upon property belonging to said defendants sufficient to satisfy a judgment rendered in said action in favor of said plaintiff and against said defendants for the sum of \$648.39, after allowing all credits thereon, I have levied upon certain lands and tenements belonging to said S. H. Douthit, not exempt from sale under execution, for want of goods and chattels of the said defendants, to-wit: The entire interest of the said S. H. Douthit, the same being an undivided one-half interest, in and to the following described real estate situated in Grady county, Oklahoma—The northeast quarter of the southeast quarter; the northwest quarter of the southeast quarter; the southwest quarter of the southeast quarter of section 7, township 4 north, range 8 west, and have duly caused said lands to be appraised according to law and filed a copy of said appraisal with the clerk of said district court;

Now therefore, notice is hereby given, that in pursuance of the commands of said writ, I will offer for sale and sell for cash to the highest bidder, the entire interest of said judgment debtor in and to said lands and tenements, or so much thereof as will satisfy the said judgment and costs, on the seventh day of January, 1916, at 2 o'clock p. m. of said day, at the front door of the court house in the city of Chickasha, in Grady county, Oklahoma. Witness my hand this seventh day of December, 1915.

## Luxurious Furs

The Gift Supreme

Furs always hold first place in the choice of gift buyers whose purpose is to give presents that are both useful and ornamental. They promise to be more than usually favored as gifts this Christmas, first because the styles are so wonderfully rich and charming, and second because of the high popularity of all kinds of furs this winter.

We have all the best kinds of furs, in the most desirable models. And because these furs were purchased months ago, our prices have not been affected by the general rise.

Most every woman knows that the furs we sell are of wholly reliable qualities, and that will add to the appreciation that fur gifts bought of us will receive.
